**DATA PROTECTION** - The Ochils Mountaineering Club (OMC) would like to collect certain personal information about its members. We would like to collect your name, address, landline and mobile telephone numbers, date of birth and sex (the last two are required for Mountaineering Scotland). We will use your information for the Club's organisational purposes eg membership lists. This may include contacting you by post or by telephone about general Club matters and, very occasionally, fundraising eg for the Club Cottage. We would also like to send you messages via email about general Club news (including newsletters), updates and information on meets and, very occasionally, fundraising eg for the Club Cottage. This includes emails via the forums on the Club website. Please only add your email address if you are happy to receive such emails.

Please note that by ticking this box you are consenting to the OMC using your information in the ways detailed above.

We share your information with Mountaineering Scotland who use the information for their organisational purposes such as arranging insurance and posting out magazines. They do not share your personal information with third parties other than to assist in these organisational purposes. They also provide aggregated anonymised information to third parties such as sportscotland. As sportscotland require Mountaineering Scotland to report on the make-up of its membership, we also require your date of birth and gender to pass on to Mountaineering Scotland. We also periodically deposit club documents such as minutes and newsletters (but not membership lists) with Stirling Archives and so your name may be available to Stirling Archives and through them be publicly available. You can see our Privacy Policy on the Club website for more information. If you would like us to stop using your personal information in the ways set out above you can withdraw your consent at any time. You can do this by contacting the Club Secretary (currently Maureen Burnside) at [omc-secretary@ochils.com](mailto:omc-secretary@ochils.com).
